Thousands Attend Bank Opening

Throngs Inspect First National's New Building Last Saturday.

HUNDREDS OPEN NEW ACCOUNTS

Thousands attended the formal opening of the New First National Bank building in Antioch last Saturday. All day long, from the opening of the doors at nine o'clock in the morning until ten o'clock at night the building fairly swarmed with visitors from far and near who called to inspect the beautiful new building and to extend congratulations to those responsible for adding a new epoch to Antioch's history in bringing this popular and substantial institution and its attractive new home to this community. Conservative estimates by banking attaches who attempted to keep tab on the crowd, placed the number of visitors at 5000 to 6000. Early in the day all attempts at keeping accurate records were abandoned, and estimates were kept by the number of souvenirs given to visitors.

Many Souvenirs Given.

During the day thousands of souvenirs were given to those who called at the bank. It seemed that the bank officials had provided something for everyone—there were flowers, candy and powder puffs for the ladies and children, pencils, cigars, cider, and many other gifts offered to guests.

Flowers were there in profusion, gifts of the many friends of the new institution. After the opening day the flowers were distributed to the various churches and among the sick of the community.

Courteous bank officials and employees were kept busy throughout the day showing visitors over the building, and they spared no pains to make their guests feel at home.

Hundreds Open Savings Accounts.

Several hundred new savings accounts were entered at the new bank Saturday, every such depositor receiving a money barrel savings bank containing real money in amounts from 25 cents to \$10. The number of new depositors far exceeded expectations and was far in excess of the number usually entered at bank openings, according to bank employees who have officiated on numerous such occasions.

Officers and Directors Feted.

As a very fitting close to a hard day's work, in fact weeks and months of arduous effort, a reception and very fine dinner was tendered to the officers, directors and bank employees by Mr. and Mrs. Chas. K. Anderson at the Blue Willow Inn at six o'clock Saturday evening. W. A. Oppenhamer, architect, and A. J. Beauregard, contractor, were also invited guests.

Brief talks were made by W. R. Williams, Attorney Runyard, Mr. Beauregard, Mr. Oppenhamer, President Anderson and G. Carroll Gridley, vice president and cashier of the Libertyville National Bank. Mr. Gridley gave a brief history of the First National of Antioch, highly complimenting the local backers of the new institution as being men of vision and pointing out the fact that the achievement of today points the pathway of tomorrow.

Mr. and Mrs. E. B. Williams left on Wednesday for Melbourne, Florida, where they expect to remain during the winter. Mr. and Mrs. C. K. Anderson, their son-in-law and daughter will accompany Mr. and Mrs. Williams to Florida, where they will remain for a few weeks. Mr. and Mrs. Anderson expect to be gone five or six weeks. They all made the trip by auto.

Harney Trieger was taken to the Victory Memorial hospital in Waukegan on last Saturday, where he underwent an operation for appendicitis. At present he is getting along very nicely.

Mr. and Mrs. Gus Schilke entertained Mr. and Mrs. G. Allen and son of Chicago, Sunday.

License Violators Get Fines Suspended

After a hearing before Judge Tarbell, Friday afternoon seven Antioch persons, alleged violators of the village vehicle tax ordinance, were assessed a fine of five dollars and costs. The fine was suspended in each case. State warrants were to be issued for five others who are said to have neglected to procure licenses and who had failed to appear before Judge Tarbell, Friday.

ANTIOCH DEFEATS ST. CATHERINE'S OF RACINE

Last Saturday morning Antioch traveled to Racine, Wis., and handed the St. Catherine High School team of that city a 25 to 0 defeat.

Antioch was able to make a touchdown in each quarter but only two of the try for points were successful, both of these being made by Spiller's place kicks.

In the first quarter Antioch made a steady drive towards the goal line and when on the five yard line Schwenk got away on a nice end run and took the ball across for the first touchdown. In the second quarter Schwenk got away on another end run and made his second touchdown of the day.

The second half was much harder than the first with St. Catherine's making a desperate effort to score. They were stopped on Antioch's 75 yard line and from here Nixon got away for a nice run and the third touchdown. He was given perfect interference by the rest of the team which made this long run possible.

Near the end of the game Antioch lost the ball on downs near the goal line and St. Catherine's was forced to punt down behind their own goal line. Just as the ball was snapped, the gun fired showing that time was up, but Nixon remembered Moon Bucker's play of the previous week and he took the punt on the run and carried it over for the fourth and last touchdown.

All of the Antioch team played good football with Capt. Morley playing his best game of the season. The St. Catherine boys played a hard fighting game but were out weighed several pounds to the man and were unable to make any ground thru the strong Antioch line.

On Saturday of this week Harrington comes to Antioch for the local third conference game. Harrington has a much stronger team than last year and will give the locals their hardest Conference Game, so far. On Thursday, November 11, Libertyville comes to Antioch for the big game of the year, which will probably decide the Conference Championship.

ANTIOCH LIGHTS DEFEAT

LIBERTYVILLE LIGHTS 13-6

Last Friday Libertyville lights came to Antioch for the second game between these two teams and for the second time they suffered defeat.

This game was hard fought as all Libertyville/Antioch games are and the locals had to play good football in order to win it. In the line Murrie, Fisher, Strametz and Kennedy played a good game while Stehlinger and Michell were the best ground gainers in the back field.

The lightweight team plays one more game this season, that being with Warren at Gurnee on Saturday morning. The other game between these two teams resulted in a 6 to 6 tie, so both teams will be fighting hard to break that tie.

Mr. and Mrs. T. J. Kern expect to leave the latter part of this week for Winter Haven, Florida, where they will spend the winter months.

Miss Myrtle Haynes returned to Chicago on Sunday where she resumed her work Monday morning after a two weeks vacation spent at the home of her parents, Mr. and Mrs. R. M. Haynes.

Mr. and Mrs. Stewart were guests of Mr. and Mrs. Elgie Sheehan and Mr. and Mrs. Andrew Lynch, Sunday.

Mr. and Mrs. Frank Callis, Mrs. G. J. Malek and children and Misses Mahr and Keisel, all of Chicago, motored to Antioch, Wednesday and spent the day with Mr. and Mrs. J. Baber.

SMITH, WEISS, STEWART AND JACKSON ARE G. O. P. WINNERS

Lake County Casts Light Vote—Wets Carry County by Over 800.

WEISS GIVEN BIG PLURALITY IN LAKE COUNTY

Now Illinois failed to vote for "Brennan and Beer" in Tuesday's election, is shown in the unofficial returns which indicate the election of Frank L. Smith, dry Republican, to the senate by probably 75,000 or more over his nearest rival, George E. Brennan, wet Democrat, and defeating Hugh Magill, Independent over three to one. Smith's margin may reach 100,000. It is indicated by down state returns today.

The vote in the 4,904 precincts in the state, including Cook County was:

Smith, 624,024
Brennan, 605,017
Magill, 124,362

Magill's vote was a big disappointment, not only to his supporters but to the Brennan managers.

In Lake county Col. Smith received more votes than both his opponents, according to unofficial returns which gives Smith 6,571, Brennan 3,855 and Magill 2,312.

While electing a dry candidate to the senate, Illinois voters delivered a smashing blow to prohibition through the referendum on the modification of the Volstead act, the "wets" carrying the state by approximately 400,000 majority.

Weiss Given Big Plurality.

Lake county's popular legislator, Wm. F. Weiss, was well in the lead of his three other opponents, carrying his own county by about 10,000. N. L. Jackson, of Belvidere, and Roy J. Stewart, of Woodstock, running mates on the Republican ticket with Mr. Weiss, were also elected over Charles J. Wightman, of Grayslake, Democratic candidate for representative.

LEGISLATIVE VOTE IN DIST.

Boone 1,128 927 8,059 601
Total 20,165 15,983 18,969 9,944

The above unofficial figures are complete for Boone and McHenry counties and 55 of the 57 Lake county precincts.

"Wets" Carry County.

That Lake county voters are custodians of a neat thrift is shown by returns for the county on the Volstead revision measure which carried by about 1000.

In 46 out of the 57 precincts the vote was:

For Modification 5,152
Against 4,253
Majority for 899

FIREMEN'S DANCE TO BE HAPPY EVENT

Plans for the Armistice dance to be given by the Antioch Volunteer firemen at the Antioch Sales and Service Station on the night of Nov. 11, are about completed, according to the committee in charge of the affair.

Beside the old and new dances, waltzes, quadrilles, square dances and modern steps played by Schmidt's seven-piece orchestra, there will be many other amusements and refreshments will be served. A good time is in store for all who attend.

WILMOT LEGION TO GIVE DANCE AT TREVOR

The first of a series of dances to be given during the winter season sponsored by the Fred Semrau American Legion Post of Wilmot has been announced for Saturday night, Nov. 13, at Derler's Hall, Trevor, Wis. Music is to be by Freddie Millar's orchestra, of Woodstock.

Mr. and Mrs. Francis Brown, of Fond du Lac, Wis., were guests at the home of their uncle and aunt, Mr. and Mrs. Andrew Lynch several days last week. Mr. and Mrs. Brown were on their wedding trip.

merely a matter of form with Lake county voters, for the Republican candidates were without opposition. Of the newly elected candidates all but two are returning to office:

Perry L. Persons, county judge; Lew A. Hendee, county clerk; Martin C. Decker, probate court judge; John H. Bullock, county probate court clerk; Roy W. Bracher, county treasurer; Lawrence Doolittle, county sheriff and T. Arthur Simpson, county superintendent of schools. Bracher and Doolittle are the new incumbents.

Canal and Tax Issues Win.

The proposed amendment to the constitution granting to the legislature authority to revise methods of taxation, seems to have carried in the state according to incomplete returns, as did also the canal lease project.

State Officers Elected.

Garrett D. Kinney, for state treasurer, won over his Democratic opponent, Samuel L. Nelson, Blair (R) for state superintendent of public instruction, defeated Jameson, (D), Vail (R) defeated Logan (D) for clerk or supreme court. Yates and Rathbone (R) led for congressmen at large, and Scott (R) is choice for clerk of the appellate court.

J. C. James, Mrs. Bessie Trieger and Wm. Morley were judges and John Horan, Mrs. Ida Osmond, and Mrs. Helen Osborn were clerks at Antioch 1 polling place, and doing similar duty at Antioch 2 were Frank Dunn, Mrs. Eva Kaye and R. B. Miller, judges, and H. Gelstrup, C. F. Richards and Mrs. Charlotte Neuhaus, clerks.

It is interesting to note that only about 25 per cent of voters in Antioch visited the polls on Tuesday. Antioch 1 alone has 771 registered voters, but less than 200 of this number exercised their right of franchise.

ANNOUNCING ENGAGEMENT OF DAUGHTER

Announcement of the coming marriage of Miss Georgia Bacon to Mr. Lester Nelson was made at a party given by Miss Eleanor Dodge last Friday evening. The marriage is to take place on November 20th.

The guests arrived at eight o'clock and a pleasant evening was spent in playing cards.

At ten thirty a dainty luncheon was served. The tables were decorated in yellow and white to carry out the effect of a daisy which means "love."

The guests were Mrs. C. Bacon, Mrs. W. Dodge, Mrs. Lean Dodge, Mrs. N. Nelson, Miss Vera Nelson, Mrs. L. Grace, Miss Marguerite Grace, Miss Martha Hillebrand and Miss Mary Herman, Miss Glenna Roberts, Miss Edmee Warner, Miss Hilma Rosling and Miss Edna Vennler.

The guests departed after wishing the little bride to be lots of love, luck and happiness.

Mrs. Fred Barber, of Chetek, Wis., who has been visiting relatives at Waukegan and Grayslake spent the latter part of last week visiting Antioch relatives and friends.

Mr. and Mrs. Harold Harbaugh, of St. Charles, were Antioch, visitors Saturday evening.

MRS. SAMUEL SORENSON DIED WEDNESDAY

Mrs. Sam Sorenson passed away at the Victory Memorial hospital on Wednesday afternoon at 5:30 where she had been taken that day for treatment. She had been sick for about three weeks. The funeral service is to be held at Antioch, Ill., not announced as relatives are unable to get word from a daughter who is living in Oklahoma.

Alexander Hanlan Dies in Canada

(The following account of the death of Alexander Hanlan was published in Canadian Newspaper, published at Moose Jaw. Mr. Hanlan was born in Rosecrans in Lake county.)

The funeral of the late Alexander Hanlan, who passed away on Friday, October 15, was conducted at 9:00 o'clock, from St. Joseph's church to Rosedale cemetery. The cause of the death was cancer, and the deceased was ill only about a week.

Mr. Hanlan was a pioneer in the Briercrest district, having farmed there for a number of years. For the past eight years he had resided in Moose Jaw, while his son John operated the farm. The deceased was born at Rosecrans, Lake County, Illinois, and before coming to Canada, was engaged in farming.

The late Mr. Hanlan leaves his widow, four sons: John, of Briercrest; Elwood late of Chicago; Edward, of Crane Valley, and James, late of San Francisco, and three daughters: Mrs. Crawford, of Crane Valley; Mrs. Neabitt, of Chicago, and Mrs. Grant, of Moose Jaw. There are also nine grandchildren in the family.

RETURNS FROM EASTERN TOUR

S. M. Walance, Dan Harris and Delaine Rigby returned Friday after a two weeks' vacation spent touring through the eastern states. They visited Mr. Harris' uncle on Long Island, spent several days in New York City and stopped enroute at Philadelphia, Pittsburg and other places of interest. The trio report a very enjoyable trip.

Both Mr. Harris and Mr. Walance are back at their respective places of business, but Mr. Rigby, having resigned his position at the Main Garage, is spending a few days with relatives in Chicago.

Halloween Party

Mrs. Thomas Somerville gave a Halloween party in honor of Adelle Miller last Saturday afternoon. Twenty-seven little girls were present who enjoyed the many Halloween games as well as they did the delicious refreshments. The decorations were very pretty in orange and black with pumpkins, black cats and jack-o-lanterns. Just before the children departed for their homes a picture was taken of the happy group. The out-of-town guests were Helen Burnett, of Lake Villa, and Alvina Derler, of Trevor, Wis. Alvina Derler remained over the week end with Adelle Miller.

MILTON PIERCE DIED LAST THURSDAY

Milton Pierce died at his home near Antioch last Thursday morning, following an illness of several months.

Funeral services were held at the Antioch Methodist church Saturday afternoon, Rev. Krahf officiating. Burial was in the Liberty cemetery. Deceased is survived by his wife, one brother in Texas, and a half sister who resides in Bristol.

FOX LAKE TO HAVE SCHOOL OF RELIGIOUS EDUCATION

A school of religious education is to be held at Fox Lake, Nov. 12, to December 10. The purpose of the school is to train Sunday school teachers and other church workers.

The following courses will be open for those who register for study: Principals of Teaching, New Testament, Primary Department Methods and Materials, Junior Department Methods and Materials, Training the Devotional Life.

Antioch Boy Has Near Fatal Accident

Edwin Hucker in Waukegan Hospital Recovering From Gun Shot Wound.

Edwin Hucker, 16 years old Antioch boy, is in the Lake County General Hospital, Waukegan, slowly recovering from an accidental gun shot wound which all but cost the life of the young hunter last Saturday morning. Hucker's 20 gauge shot gun was accidentally discharged as he was taking the weapon out of a boat, the discharge shredding the muscles of his left shoulder.

The wound where the shot entered was said to be about the size of a dollar. As it passed on through the shoulder the shot scattered, tearing its way through, and leaving two holes in the back about the size of a man's fist.

Young Hucker was suffering from great pain and shock and it was feared he would not recover. Later he rallied and X-ray pictures were taken, which according to reports, showed that no bones were broken.

Hucker in company with Clarence Miller had been hunting on Cross Lake, near Antioch, and it was shortly before noon when the boys started for home that the accident occurred. Mrs. V. Mooney, mother of the boy, rushed him to the hospital.

Latest reports are to the effect that the lad is recovering.

School Students Study Astronomy

School children of the seventh and eighth grades of the Antioch schools and also pupils of the rural schools had opportunity Tuesday night of viewing Mars, Jupiter and other heavenly bodies through a regular astronomer's telescope at the local high school. It was through the courtesy of County Superintendent Simpson that Prof. Mellich, astronomer, of St. Charles, was induced to bring his telescope to Lake county to assist the school students in their elementary study of astronomy, a part of the regular school work of the eighth grade.

Local students learned many things and got much first hand information while viewing the heavenly bodies through the telescope Tuesday night. They saw Mars and its oceans, Jupiter and its four moons and took a look at the milky way, besides seeing several slides of the moon and Mars.

Roy Felter Dies In St. Joseph, Mich.

Roy W. Felter, formerly a resident of this locality where he has many relatives, passed away at his home in St. Joseph, Michigan, Oct. 25, 1926, at the age of 49 years, 2 months and 8 days.

He leaves to mourn his loss, the wife, one son and one daughter, besides his father and step mother, one half sister and a half brother.

Mr. Felter lived the greater portion of his life in the village of Walworth, Wis., but for the past ten years has resided at St. Joseph, Mich. Funeral services and burial took place at that city.

Club Dinner Is Postponed

The dinner and entertainment which was to have been given at the Blue Willow Inn on Monday evening of next week, has been postponed until November 29, it was announced today. The change in date was necessary because the remodeling of the interior of the hotel would not be completed by Monday night.

Eighth Grade Have Party

The eighth grade girls of the Antioch schools were hostesses to the boys of the class at a Halloween party given at the home of Elizabeth Gaston last Friday night. Music and games formed the evening's entertainment, which was followed by a delicious supper provided by the girls.

Get the Banking and Savings Habit

Most things worth while had small beginnings. Personal fortunes particularly have small beginnings. Many people think it is not worth while to save unless they can save a lot. No greater mistake was ever made. In the first place, you must get the habit, and it is just as easy to get the savings habit by laying away small amounts as it is in laying away large amounts. No matter how small your account may be, we will be glad to have you place it with us, because we want to see you get started right and accumulate something for your future.

You have never known Such Performance-Smoothness as this 7-Bearing Motor Delivers

Here is a DIFFERENT kind of power—a far smoother, far quieter power-flow—than any car in this field has ever offered.

Today everyone knows that the 7-bearing crankshaft motor is THE supremely fine motor.

Engineers term it "The World's Smoothest Type." So by all means come see what it gives you that other cars with fewer bearings can't.

You'll find that this great Nash-

engineered 7-bearing crankshaft motor possesses such unusual roadability, such dazzling fast pick-up, such evenness of torque, as to create an entirely new motoring experience for you.

A demonstration will be arranged at your convenience—as soon as you like.

Standard equipment at no additional cost includes 4-wheel brakes and 5 disc wheels.

Men's Work Shoes

for the men who work around the barnyard.

You well remember that pair of shoes that broke away at the soles don't you? Well, that is caused by the amonia in the manure. This acid is a deadly enemy to leather, but the tanners have finally found a process by which leather can be tanned that makes it as near barnyard proof as leather can be made.

We have just received another shipment of shoes made up from this kind of leather. If you will try a pair we are sure you will be satisfied with their long wearing qualities.

The price of \$5.00 per pair is very low for this grade shoe.

The Weekly Drift

Edited by Students of Antioch Township High School

Editorial

Why should dancing be prohibited in our high school? It is a question which arises frequently among the students. They say "Other Schools have it, why can't we?" and that is what many of us think. Some older folks say "Why do what other people do, what does that matter to you?" That is a perfectly sensible thing to say. But that isn't entirely the point. The point is this: If dancing was permitted in the school a number of students would become more interested in the school its work and activities. It would hold the students together because they would be together at the same place, under the same rules and they would become acquainted with each other. That may sound odd but many of the students do not know some of the others much more than the name which means very little to most of us. It would cause a feeling of union to most and they would work for the good of the school. It would keep some from the dance halls which do not have the reputation of being the best in the community.

Richard Dix "The Quarterback"

This show is being sponsored by the agricultural club. It is a motion picture starring Richard Dix. The football boys in the picture were all ex-stars from the various well known universities. These gridiron heroes were coached by Yost of Michigan, commonly known as "Hurricane Yost."

Two weeks before the game was photographed the boys were hard at work and daily they practiced until after the photographer had taken the full game. It means that this picture has been produced at an enormous cost and should be well attended. A matinee will be held on Monday afternoon and the

regular evening show on Monday and Tuesday nights.

There will be special music furnished by the orchestra and the Glee Clubs between shows.

Classes

When the Freshmen enter school, no matter how hard they try to appear in complexion, they fall. High school is merely one step in the preparation for a higher education and that step is to learn how to study. As they progress and become Sophomores, Juniors and finally Seniors they are learning how to study. If when they are Seniors they haven't learned how to study, a higher education is entirely impractical. The sooner the Freshmen realize that they are not coming for a good time and get down to work, the better off they will be.

Agricultural News

The Ag. Club with the Home Economics Club gave a Halloween party at the high school last Friday evening. It was a great success and we were very glad to see such a large number of students attend.

The Ag. Club at their meeting this week held a debate, "Whether tractor or horse power is preferable on farms. The boys defending the tractor won and the judges voted three to nothing against poor old, "Dobbin."

Harold Asp and Harold Craft were on the affirmative side with Lewis Galiger and Clarence Kufalk on the negative. The debate was very good bringing out many good points.

Don't forget Richard Dix in the Quarterback, Nov. 15, and 16. Be sure to see this wonderful play now showing at the Chicago Theatre.

Boys' Glee Club

The Boys' Glee Club is working on a four part Hawaiian song, "One, Two, Three," by Alon. The first tenor part being carried by Robert Morley, Lester Nixon, Robert Wilson, second tenor Joe Bernolfo, Arlee Guillet, Russel Spicer, first base, which carries the melody thru the song. Louis Forbrick, William Schwenk, Homer Tiffany, second tenor Emil Halwas, Charlie Michell.

A Party

The Home Economics and Ag. Club gave a party Friday night, a Halloween party and what goes along with Halloween you all know. I'm sure, but in case you don't I'll tell you. Apples on strings, pinning the tail on the donkey, putting beans in a glass jar and oh! many just lots more interesting things.

There were six teams, and each team had a captain who selected from his group one person each time to enter in the various events. Each team by entering secured so many points and at the ending the team having the most points was given a box of candy.

Then we had regular Halloween eats, everyone enjoyed them and departed after having spent a very lovely evening of fun making.

The Stamp of Approval

Has been definitely placed on our New Banking Home.

The outpouring of our neighbors and friends in Antioch and vicinity, as well as visitors from distant cities and towns, who came to join with us in the celebration of the Formal Opening of our New Home, on last Saturday was in itself a demonstration of friendship and good-will that we are justly proud of.

All were unanimous in the opinion that Antioch—and every Resident of Antioch and Antioch Township has just reason to be proud of "Their First National Bank" and that no other town of its size could boast of its equal.

Their Faith and Judgment was further evidenced by the hundreds of New Accounts opened during the day and every day since.

But, remember Our Welcome is not limited to an Opening Day. Every day is a day of Welcome at this Bank. Where the officers consider it their duty to serve, co-operate and counsel with their patrons.

We solicit your account.

The big fat yellow-legged hens seem to be doing anything but laying eggs.

Young chickens make most economical gains if they do not have to fight for roosting space or range.

Fruit that is packed well will go through to market in better condition, and will sell quicker for a higher price.

Hum the ensilage enter a few minutes before anyone goes into the silo the first thing in the morning. This will stir up and dilute the gas that accumulates on top of the freshly cut ensilage.

Great American Racing Stars buy The Greatest BUICK Ever Built

Within thirty days after its introduction, the Greatest Buick Ever Built received one of the greatest tributes ever paid a motor car.

Nine internationally famous A. A. A. speedway stars singled it out, above all other cars, for their personal use and for their families!

The racing men who have thus demonstrated their approval of the New Buick are:

- * Pete DePaolo
- * Earl Cooper
- * Frank Elliott
- * Fred Comer
- * Bennett Hill
- * Dave Lewis
- * Frank Lockhart
- * Cliff Woodbury
- * Bob McDonogh

TWENTY YEARS

AGO

THURSDAY, NOV. 1, 1906.

The Bachelor Boys were the guests of honor at a "Stunt Theatre" given by the Bachelor Girls last Friday evening. On arriving by chance of lot Geo. Gollwitzer, Ben Ames and Chase Webb were ushered to the bald headed row. Dr. Warriner occupied box "A." Nigger Heaven was filled by Chas. Lux, Arnie Biglow and John Brogan. The program was very cleverly given by home talent and was very much enjoyed, after which they all adjourned to the banquet hall where a seven course dinner was served. After several selections by the orchestra the crowd disbursed extending thanks to the entertainers.

Born to Mr. and Mrs. John Palmer on Friday evening, October 12, a baby boy.

Antioch is to have a laundry which is to be located in the Thorn Building on Lake street. The machinery for the same arrived on Monday of this week.

C. F. Richards has sold his farm east of town to Gorm Anderson.

Miss Addie Schaffer was a Chicago passenger Wednesday morning.

A. N. Tiffany attended the republican meeting at Ravina Park on Monday evening.

The Misses Marie and Ella Jensen entertained Miss Lena Hansen, of River Grove, recently.

Sam Gilbert has accepted a position with the Wisconsin Central railroad at the Muckwonago depot.

Engene Stickles, who has spent the past summer at Doniphan, Mo., returned to this place the latter part of last week.

Mr. and Mrs. W. F. Ziegler visited over Sunday with friends at Wilmette.

On Monday morning of this week C. F. Richards had the misfortune to have six sheep killed by dogs while twenty-five more were injured.

Tuesday was the last day of registration and when the count was made it was found that only five hundred and sixty-four names were registered which is considerable less than the enrollment last year.

W. H. Osmond and wife were

transacting business in Chicago on Monday.

Mr. and Mrs. James H. Swan returned home on Sunday from their two weeks vacation.

Miss Elizabeth Webb has been confined to her home on account of illness for the past week.

Miss Laura Cannon, of Waukegan,

visited the latter part of last and the fore part of this week with Antioch friends.

Mrs. Charles Alvers left on Tuesday for a week's vacation at Chicago and West Pullman.

St. Ignatius Church Notes

Episcopal
23rd Sunday after Trinity.
9:30 Church School.
10:30 Matins.
3:30 Confirmation Class.
Next Sunday Mr. Dixon will preach number three of the Confirmation lectures, the topic being 'The Creed'. Is there any use in having a "creed" in this "modern" day and age?

Mr. and Mrs. Elmer Brook have just procured a magnificent piece of brocade colored gold and red which they propose to present to the church as a dorsal screen to hang behind the altar and the altar redens. It is hoped that it may be completed in time to have the Bishop consecrate it on his visit Sunday.

The Finance Committee will meet in the Parish House Friday night to complete plans for the "Every Member Canvass" to begin Sunday, Nov. 21st, and to last for one week. Every one interested in St. Ignatius Parish whether 'Nominally' or 'otherwise' will be given an opportunity to make a pledge for the coming year or a subscription to express their interest. The Kingdom of God cannot be extended by money but it can never expand without the gifts of the faithful. We give "Till it hurts" to our country and yet how dare we do less if not more for the Church that has made our country what it is and holds up the torch of ideals at all times to the youth of the land. A little serious thought about the matter of Church support might mean much to him that thinks."

Gamma Kappa Delta, the young people's club, had a very interesting meeting in the Parish House last Sunday night. After supper a constitution and a set of by-laws were adopted, preceded by much discussion of merits pro and con of various and sundry articles of faith. The club has been divided into two warring camps by the President, Mr. Robert Morley. The camps are headed by Miss Louise Simons and Miss Esther Stearns. The two opposing hands will try and enlist all the young people who are interested in the club's esoteric Gamma Kappa Delta and who may survive the initiations.

Methodist Church Notes

The unusual happened last Sunday evening at the Methodist Episcopal church, more men attended the service than did women. This was encouraging for the male quartette who promises to be on hand every Sunday evening during November. Music lovers will find joy in attending the morning service of worship as the choir under the leadership of Mrs. L. Hughes will lead the singing as well as render special numbers.

A Community Armistice Day Memorial Day service is planned for the Sunday evening service. The Rev. W. C. Dixon will assist in the service. The local post of the American Legion will be present as will other patriotic organizations of our community. The program will include the singing of many of the best known war songs and one very special number. Come and bring your friends as a tribute to the boys who willing gave their all for us.

Dedication of the Parsonage.
The community is watching with great interest the work of remodeling the Methodist parsonage on Lake Street. The fact that Mr. Beauregard, the contractor, who built the beautiful new bank building as well as the school house, is assurance that the parsonage will rank as one of the best in the growing list of beautiful homes found in Antioch. Plans for the dedication, which is to be held in connection with the Twenty-fifth Anniversary of the building of the present church, are well under way. Mrs. Jos. Labdon and her various committees are

Uncle Abe said, "We had such a good meeting at the Methodist church last Sunday morning that I shut up the old radio and went again in the evening. The Preacher said some things which set me to thinking that maybe I n't allowed enough time for my religion to get to working. Like most folks I'm so busy thinking about myself that I don't let the good Lord have half a chance to tell me how happy I could be if I want. Yes sir, I jus got to take more time for my religion."

CATTLE STAMPEDE THRILLS
A herd of 2,000 cattle stampeded from the corral and terrorized the members of the William Fox company during a location trip at Jackson Hole, Wyoming, while filming outdoor scenes for "3 Bad Men."

After that, they discussed things that might help the committees in planning for the party to be given Friday night by both the Home Economics and Ag. Club.

Glee Club News

It won't be long now before you will see the Glee Club Girls proudly displaying their pins. They represent a staff of notes in black on a gold background. And too, the new music has arrived. It will be quite thrilling to the Girls to start out now on entirely new pieces. Before this time the pieces have been new to only the new beginners, but now even the old members will have to learn. They don't know everything, you know. They have begun work on "Morning," by Grieg, and "Elegy" by Massenet. Both are rather difficult, but the harmony is delightful. The girls may pleasantly anticipate their Glee Club periods from now on.

GAME AND FISH NEWS

Hundreds of Illinois hunters are enjoying duck hunting in the flooded levee districts along the Illinois river for the first time in many years.

The recent disastrous floods that broke almost every levee along the Illinois and many of those along the other rivers of the State have brought a return of the 'old days' when the duck hunter was compelled to hunt as well as shoot.

Now with deep water covering most of the 'feed pens' the ducks, and they are thick, are scattering out over the flooded cornfields. The

best shooting reported so far is in these cornfields or millet or buckwheat fields. A dozen wooden decoys, a couple of live hen callers and one drake are all that the hunter needs to get some real shooting.

Permission to shoot must first be obtained from the owner or tenant of the land. Then fix a blind of corn stalks so that the boat may be rowed in or out of it. Don't make the blind too heavy or too large. Put the wooden decoys in open water about twenty yards from the blind with one live hen at either end of the bunch of blocks. Tie the drake near the blind he can hear but not see the hens.

Decoys should always be set somewhat up-wind from the blind, so that incoming ducks will not fly directly over the blind. Almost invariably ducks will decoy against the wind and this method of placing the decoys will bring the birds directly in front of the hunter just before they light upon the water. Sportsmen from all sections of the State are enthusiastically advocating a plan by which the State will buy up large areas of this land and make game and fish refuges and public shooting and fishing grounds. It is believed by many experts that this will help solve the flood problem. The expenses can be paid by hunting and fishing license money without increase in direct taxes.

William J. Stratton, Director of the State Department of Conservation, in a statement here today urged duck hunters to read the game laws and observe all regulations strictly.

Shooting before sunrise or after sunset is prohibited. Shooting from a motorboat is also unlawful. If an outboard motor is used the hunter must disconnect it and lay it inside the boat before shooting any kind of waterfowl. State regulations do not require this but the Federal wardens have made several arrests where the motor was merely tilted out of the water and tied, so it is best to take it off and play safe.
